the Heart of Jesus***

Welcome, dear friends, to the fifth issue of: "The Standard of Our Lady." For the first time, we are publishing an allocution given by Henri some time ago. In future issues, we will increasingly publish past conferences, many of which are preserved in the archives—a treasure we wish to share with you.

We wish you a wonderful week and happy reading!

## *A cycle of hatred*

A moment of tension between two nations, Israel and Iran. Civilian buildings are being attacked, and we can see that politicians are lying to us because what was said—not to strike nuclear facilities—was not true. We are not facing a conflict between two peoples, but between two men, Netanyahu and the Ayatollah. Each believes he is "commissioned" by God to wage this war.

International law requires the protection of civilians: on both sides, we are witnessing a violation of this right. Some black flags align with Israel and others with Iran. The year 2024 has been called the vigil of arms, it announces something, and we will understand what these coming 13 Tuesdays are. We must not take sides; no one wants to lower their head or their guard.

If the United States enters this war, their hands will be stained with blood; there will be irreparable damage. After Iran, who will be next? The Strait of Hormuz will ignite with the arrival of the United States, the clash is the movement of the black flag: the worst is yet to come. We will not be able to say we were lied to; everything is in the Messages, the Blessed Virgin said it. We must look to Our Lady of Reparation because She is the lighthouse in the heart of the night. In the face of this crusade of evil decided by Satan, which is turning the world into a battlefield, we must oppose it with a crusade of prayers and reparations. The international community and the Church are very silent; silence makes one complicit. There is no justification for war, let us cry out for peace!

persist is diabolical."*

## Antediluvian Era

We will soon enter an era that the Virgin of Reparation, on June 3rd, described as a pre-diluvian era. The people of today are no better than those of the pre-diluvian time, before the flood. The warnings are numerous. With the situation in the Middle East, we are one step away from humanity faltering; in the Strait of Hormuz, everything is ready. Setting the Strait of Hormuz on fire is opening Pandora's box. The spiral of hatred reverses; in this unfolding time, the greatest danger is the use of electromagnetic pulse (EMP) weapons: the United States, the empires, Russia, China, North Korea, Turkey, Iran all want to acquire this diabolical technology. We will all fall into this abyss; Heaven will deprive us of rain.

The waters will turn the color of blood, and we will be tormented by thirst and hunger. We are an incredulous, unfaithful, and murderous people of God, subjugated and chained to the power of the beast. This is only the beginning; we are led by madmen and will see a growing divide between East and West. Nuclear weapons are not peaceful; we must eliminate nuclear weapon stockpiles and remember that every weapon is based on fear. Rachel weeps for her children; her tears witness the blood of the innocent flowing. This biblical verse reveals the danger that awaits us. For a safer world, we need peace above all else. Let us heed the call of the Blessed Mother; Her Heart is so wounded by offenses; we must give Her everything and revive this spirit of Reparation to console Her and obtain forgiveness. Showing us the Rosary, the Blessed Virgin said that we will not find such a powerful weapon on earth. She also reminded us of the need to wear the cord of reparation as a sacrificial symbol. Tomorrow depends on Reparation.

EXCERPT FROM THE MESSAGE OF OUR LORD JESUS CHRIST OF MARCH 23,  
2021:

"THE TIME HAS COME TO REUNITE, TO UNITE HEARTS THROUGH THE BONDS OF MY SACRED HEART. GATHER ALL THE PEOPLE OF THIS WORLD. RECONCILE THEM SO THAT THEY MAY FORM A SINGLE WHOLE. IN THE FACE OF THIS WORLD'S STATE OF PERDITION, FORGET YOUR DIVISIONS, YOUR OPPOSITIONS, AND LOOK ONLY AT WHAT UNITES YOU. ESTABLISH A GREAT PRINCIPLE OF UNION SO THAT HEARTS MAY FIND SALVATION. MY CALL WILL COME. BE READY. DO NOT DELAY. DO NOT WAIT FOR THE TORRENTIAL RAINS. IF YOU STILL RESIST, THE WATER WILL RISE, YOU WILL SINK, AND THE BOAT WILL DRIFT. MY BELOVED, DO YOU UNDERSTAND?"

GENESIS 6:11:  
"BUT THE EARTH WAS  
CORRUPT IN GOD'S  
SIGHT; THE EARTH  
WAS FULL OF  
VIOLENCE."

### SAINT FRANCIS AND NATURE: A DIVINE PERSPECTIVE

IN THE WRITINGS OF THOMAS OF CELANO, NATURE IS NOT PERCEIVED BY SAINT FRANCIS IN AN ANIMISTIC SENSE, BUT RATHER AS THE WORK OF GOD. THIS FUNDAMENTAL UNDERSTANDING IS PRECISELY WHY NATURE IS SO HIGHLY MAGNIFIED AND REVERED.

UNLIKE A MODERN, OBJECT-ORIENTED VIEW— EPI TOMIZED BY THINKERS LIKE DESCARTES WHO CONSIDERED ANIMALS TO BE MERE MACHINES (A PERSPECTIVE THAT HAS SOMEWHAT PERSISTED IN OUR CONTEMPORARY THINKING)— SAINT FRANCIS ENGAGED WITH NATURE IN A FUNDAMENTALLY DIFFERENT WAY. HE DIALOGUED WITH NATURE, TREATING ALL LIVING THINGS, AND EVEN INANIMATE OBJECTS LIKE STONES AND PLANTS, AS SUBJECTS WITH WHOM COMMUNICATION WAS POSSIBLE.

### PRAYER OF SAINT FRANCIS OF ASSISI

"LORD, MAKE ME AN INSTRUMENT OF YOUR PEACE.  
WHERE THERE IS HATRED, LET ME BRING LOVE.

WHERE THERE IS OFFENSE, LET ME BRING  
PARDON.

WHERE THERE IS DISCORD, LET ME BRING UNITY.

WHERE THERE IS ERROR, LET ME BRING TRUTH.

WHERE THERE IS DOUBT, LET ME BRING FAITH.

WHERE THERE IS DESPAIR, LET ME BRING HOPE.

WHERE THERE IS DARKNESS, LET ME BRING LIGHT.

WHERE THERE IS SADNESS, LET ME BRING JOY.

O DIVINE MASTER, GRANT THAT I MAY NOT SO  
MUCH SEEK TO BE CONSOLED AS TO CONSOLE, TO  
BE UNDERSTOOD AS TO UNDERSTAND, TO BE  
LOVED AS TO LOVE. FOR IT IS IN GIVING THAT WE  
RECEIVE, IT IS IN FORGETTING OURSELVES THAT  
WE FIND OURSELVES, IT IS IN PARDONING THAT  
WE ARE PARDONED, AND IT IS IN DYING THAT WE  
ARE BORN TO ETERNAL LIFE."

## Our Mother Earth"

As we celebrate the eighth centenary of Saint Francis of Assisi's composition of the Canticle of the Creatures, we turn our gaze to the wonderful world we've been given. Our Earth is a reservoir of the future, fundamental for human survival. The Earth calls us to forge bonds of fraternity, yet greed is rampant; so many men and women want to possess everything. Too many people don't have enough to eat. The inequalities before our eyes are, frankly, scandalous. In this time of humanitarian and ecological crisis, we must adopt a more environmentally respectful attitude toward what has been gifted to us. We are not owners, but tenants. We must find lifestyle choices that promote sustainable development. We are all responsible for the Earth.

From tomorrow until March 7th, the anniversary of the Apparitions, I ask you to draw near and say: "I will recite a Hail Mary." For everyone who recites it, a bag of flour will be purchased and placed in a basket. At the end of the month, all the bags of flour will be used to make bread, which will then be distributed in France and Italy. This is a call to sharing, a fundamental gesture that unites and gives life—a way to respond to an increasingly divided humanity. We are beings of Love and Hope, called to correct our disordered behaviors through Mary and to preserve this creation from misery, fractures, and inequalities by celebrating justice, peace, and sharing.

## *To be in harmony with the Heart of Jesus"*

Place your hand over your heart and focus on its beat. Like the ticking of a clock, if we listen to this beat, we hear our heart speak. A pendulum-like balance undisturbed by any storm, it helps us understand that our heart must be in harmony with Jesus.

The Heart of Jesus is stronger than death and darkness. With His Heart, Jesus draws near to us; He willed that every beat of His Heart be ours. In His Heart, there's no annoyance, no problem; His beat is a melody we must listen to.

Just as we can hear the heartbeat of a child in its mother's womb, we can hear the invisible Heart of Jesus. Listening attentively to His beat will detach us from our bitter and hardened hearts. Through His Heart, Jesus is in every breast; this feast of the Sacred Heart should help us synchronize with the Heart of Jesus.

Sacred Heart of Jesus, give me Your Heart, allow me to feel every beat of Your Heart. Let us not remain within the limits of reason; on the Cross, let us contemplate the Heart of Jesus.

EXCERPT FROM THE MESSAGE OF THE BLESSED VIRGIN MARY, DATED JUNE 20,  
2002:

"I COME TO YOU ON THIS NIGHT OF REPARATION TO ADVISE YOU: YOU MUST  
DRAW THE NECESSARY STRENGTH YOU NEED FROM THE PRECIOUS AND  
ADORABLE BLOOD THAT FLOWS FROM THE SACRED HEART OF JESUS CHRIST, A  
HEART PIERCED BY THE LANCE, A HEART PIERCED BY YOUR SINS."

### PRAYER TO THE SACRED HEART OF JESUS

O SAVIOR JESUS! O GOOD MASTER! O SACRED HEART OF JESUS!
