Amour et réparation

Starting this month, we'll regularly share a publication called "The Banner of the Madonna." This publication will provide concise summaries of Henri's speeches, unreleased announcements, and teachings.

These addresses are incredibly valuable; they're not available online or anywhere else. This format gives us an opportunity to share these insights through summaries so everyone can benefit from them. Please follow and share "The Banner of the Madonna" widely, so the voice of Heaven, delivered through Henri, can be heard.

Confidence brings victory.

We have hardened hearts and we suffer from it; we're lacking Love and Life. We're living through a waiting period in the desert—a difficult wait, but one that leads us toward the light, for every night gives birth to day. The heavier our cross, the more brilliant our victory will be. We don't achieve victory through human means, but with Mary, our Mother and Queen.

On the day the Jubilee Door opened, this image was mentioned: Moses parting the sea for the escape from Egypt. As he raised his arm with his staff, the path opened. This staff leads to victory, a staff that, like the cross, brings us from death to Life. In this image, victory comes from this staff—a victory that doesn't originate from Moses, but from God through that staff. It was faith, confidence, and the ability to believe it was God's fight that brought about victory. Mary is this victory; Mary is this staff of God. She helps our hearts, our confidence, and our faith grow. Let's trust in her; she will transform us.

War and Prophecies

The battlefield is before us. We are living through terrible times, times of trials where this sinful humanity will be chastised. Through other messages, we know that communism is approaching and will spread everywhere. We also know that communism is inseparable from war. The messages often mention a bloc: Russia, Iran, North Korea, and China, who aim to bring back pure communism. This bloc desires the submission of the established world order. The Angel of Mercy said that Russia wants the deposition of Kyiv, a prophecy not yet fulfilled. We are seeing a true Cold War affecting us, with the United States on one side, and Russia and China on the other. We're also witnessing a return of the Global South. It's a time of great confusion. What will happen if Belarus takes up arms against the Baltic States?

With all these events, let's not give in to fear and panic, and let's not listen to those who announce world war every year; we are not here to set dates. More than anything, we need Hope: let's look to Mary! Let's also keep an eye on the Middle East, as that is where everything will begin.

Here's the prayer for peace translated into English:

Prayer for Peace
Mother of Mercy and Hope,
obtain for the men
and women of the third
millennium
the precious gift of peace:
peace in hearts and in
families,
in communities and
among peoples;
peace especially for those
nations
where people continue
every day
to fight and to die.
Grant that every human
being,
of every race and culture,
may encounter and
welcome Jesus,
who came to Earth in the
mystery of Christmas
to give us "His" peace.
Mother, Queen of Peace,
give us Christ, the true
peace of the world.

As Henri repeatedly states in his speeches, don't believe everything he says just because he says it, but believe because of the signs.

Dear friends, read the Messages of the Roman Order carefully and judge the tree by its fruits.

Excerpt from the message of the Most Holy Virgin Mary given to Henri on May 8, 2025:
"Dear Children, The Holy Spirit is at work in the Holy Church, led by the True Successor of Saint Peter. Prepare yourselves in prayer to receive the outpouring of the Holy Spirit, which will help you escape the gears of evil that threaten the precious gift of life."

Euthanasia

In France, within a few days, the euthanasia law will be adopted. We do not have the right to take a life: and for this grave offense against God, France will suffer. We must respond, we must not remain silent, even if we know deep down that we can do nothing against this steamroller. To let this law pass is to reject life. We are pushed to choose despair and death, rather than choosing Life and Hope and taking care of those we love. This society continually places itself without God and transgresses prohibitions. It is God who gave us life; only God chooses to take it back.

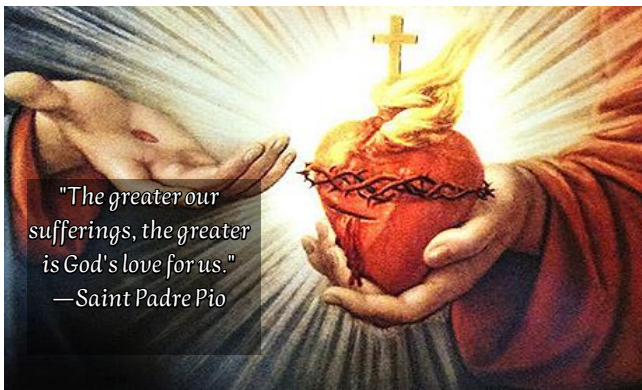

Let's keep these words in our hearts: "Repair! Repair! Repair! and Pray!"

In the excerpt from the message of the Most Holy Virgin Mary, she speaks to us about euthanasia more than two weeks before this end-of-life law was voted on in the National Assembly. This is a confirmation, a sign given by Heaven among many others, that Henri's word is true.

Excerpt from Pope John XXIII's encyclical "Mater et Magistra":
"Human life is sacred, since from its very beginning it requires the creative action of God. Whoever violates its laws offends divine Majesty, degrades himself and humanity, and furthermore weakens the community of which he is a member."

Prayer of Saint John Bosco to Mary Help of Christians – May 24

"O Mary, powerful Virgin, you are the great and illustrious protector of the Church; you are the wonderful help of Christians; you are terrible as an army set in battle array. You who alone have destroyed all heresies throughout the whole world, protect us in our distress, in our struggle, and in our difficult defense against the enemy; and, at the hour of our death, receive our souls into Paradise. Amen."

"The greater our sufferings, the greater is God's love for us."
—Saint Padre Pio

Love and Reparation

Let's pray for the Holy Father. We are the first to say it: he is the Pope of the Madonna's Three Roses, the Pope of Love and Hope. With everything happening, we must look to Mary for the Hope we so desperately need, because after all the events, there will be restoration.

The Madonna carried Jesus and gave us Her Son as a model of Love—Love that, through His blood, united us to Him and saved us. There was a first birth, and Mary our Mother is here with us for a second birth. She asks us to walk in the Hope of this new coming.

We are being prepared for a regeneration, a time of purification to open us to a new world, a world of Love, a world that begins deep within our hearts. Mary calls us to repair in order to safeguard Love. May the Lord give us courage, and may we remain united and strong in the face of all these trials.

Proverbs 3:3-4 "Let love and faithfulness never leave you; bind them around your neck, write them on the tablet of your heart. Then you will win favor and a good name in the sight of God and man."
