**The Triumph of the Immaculate Heart**

It is with joy, dear friends, that I find you again and share this fourth issue of 'The Banner of the Madonna.' Rooted in this month of July, this week we celebrate great Saints, notably Saint Anne, for whom Henry has great devotion. May she who was chosen to bring forth the Mother of God bless you.

## The attraction to the Heart of Jesus

Since His apparitions to Saint Margaret Mary, the Lord continues to seek hearts. In the image of the Holy Infant Jesus, King of Love, we see hearts ascending toward His Heart. He seeks hearts, without reason or calculation, to share the treasure of His own Heart. The Heart of Jesus is like a vacuum that doesn't sort but draws in all hearts. He seeks our heart so that we may align with the desires of His Heart, with His plan. Jesus dies of Love for us, because of our lack of love. The risk is that we don't allow ourselves to be drawn in—a loving Love that leaves us free and doesn't impose itself. The loving Heart of Jesus is the emblem of Mary's Heart. He descended from Heaven as man, died on the cross, and ascended to Heaven through Mary's Heart, filling it with His Love. This Heaven of eternity, we already know in the presence of Mary, because She descended on an 8th—this will be a future date of a great victory that the Church will be granted to celebrate. Through Mary's gaze, let us become lovers of the Great Message of Reparation, so that we may respond to the call of the Sacred Heart of Her Son and be witnesses of Love in this divided world. Jesus's apparitions to Saint Margaret Mary are not over; we must keep alive and perpetuate the messages given to her so that on the day of this historical 8th, we may be bound and united by the link of this loving Love.

Saint Francis of Assisi:

"Lord, make me an instrument of Your peace. Where there is hatred, let me sow love."

## The fire of war

A profound sense of despair is overwhelming us; we're in a period of crisis. Starting next Tuesday, 13 Tuesdays will begin—do not interpret this announcement. Iran will acquire nuclear weapons, and the prophecy will be fulfilled. Israel, for its part, spoke only of targeting the nuclear system, but the reality is quite different. Let's look at the Strait of Hormuz; let's not wait for the fire to spread there, because it will be too late. If we don't react, if this conflict continues, its fire could spread to Syria, Iraq, and across all of Europe. These events in the Middle East are like a final warning from Heaven. This is a time when the world's most powerful use missiles, bombs, and drones like toys: all of this could lead to mass extermination. Saint Michael said that those who govern nations will become like demons. I invite you, dear brothers and sisters, to truly voice your indignation, to say a firm "no" to war with conviction.

Saint Joan of Arc said on May 30th that Satan fraudulently obtained victory; we must help her reclaim that victory. The man of shadows will blow on the fire, and the fire will go out. We are afraid of this man. Can we allow this man to extinguish the fire? If we give full power to this man, the fire will not be completely extinguished, intentionally.

This period of desolation is beginning, where humanity will be purified, and we must learn to survive all the swords that will be drawn against us. Mary, the Queen of Peace, with Her Immaculate Heart, will definitively extinguish the flame of hatred and violence. There will be no weapon as victorious as Reparation. I invite you to prayer and to be in faith, and may Jesus, Mary, and Joseph help us in this hour.

EXCERPT FROM THE  
MESSAGES OF THE HOLY  
INFANT JESUS KING OF LOVE,  
OCTOBER 29, 2004, 3:30 PM

"MY TENDER LAMBS, MY PEOPLE, MY LITTLE REMNANT, I INVITE YOU TO OBSERVE THE GREAT DIVINE COMMANDMENT OF LOVE BY BEING A REFLECTION OF MY HEART ALL AROUND YOU. LOVE YOUR NEIGHBOR SO YOU CAN FULLY REMAIN IN THE LIGHT, THE ONE THAT SHINES WITHOUT DECLINE. LOVE TAKES ROOT IN FAITH AND BRINGS YOU SO MUCH PEACE. THIS GIFT SPRINGS FROM MY HEART FOR YOU. HE WHO DOES NOT LOVE HIS NEIGHBOR CANNOT PARTAKE IN MY MERCY. HE CANNOT SEE ME. THAT IS WHY I ASK YOU TO OPEN YOUR HEART SO THAT I MAY DRAW YOU TO MYSELF."

We are entering a very difficult period where Satan has gained too much power. This year, events are much more numerous and on a different scale. So many signs and confirmations are offered to us. Let us show ourselves worthy of having this grace of knowing events in advance by offering ourselves for the Lord, for the Madonna, and for Peace.

EXCERPT FROM THE MESSAGE OF THE MOST HOLY VIRGIN MARY,  
JULY 1, 2023

"DEAR CHILDREN, I, YOUR MOTHER, THE VIRGIN OF REPARATION, THE SOURCE, THE FOUNTAIN, AND THE GUARDIAN OF THE TREASURE: THE SWEET BLOOD OF MY SON, INVITE YOU TO ARDENTLY INVOKE THE POWERFUL TITLE WITH WHICH HELL ITSELF IS FILLED WITH DREAD. TO MAKE MY GREAT MESSAGE OF REPARATION KNOWN AND TO HONOR ME, ESTABLISH PRAYER GROUPS IN EVERY COUNTRY. WARS, DISEASES, EARTHQUAKES, RAINS, AND DROUGHTS WILL BRING MORE DEATH, CAUSED BY IMPIETY AND REPEATED REFUSALS OF MY CALLS. I SEND MY SON TO TELL MY LITTLE ONES THAT A FINAL WARNING WILL BE SENT TO THE WORLD BEFORE FIRE DEVASTATES HUMANITY."

PRAYER OF SAINT GERMANUS  
OF CONSTANTINOPLE

"REMEMBER YOUR SERVANTS, HOLY VIRGIN, SUSTAIN THEIR PRAYERS, CONFIRM THEIR FAITH; RECALL THE CHURCHES TO UNITY, MAKE THIS KINGDOM TRIUMPHANT, LET PEACE REIGN IN THE WORLD; DELIVER US ALL FROM DANGER, AND OBTAIN FOR US ONE DAY THE ETERNAL REWARD. AMEN."

*"Let us abandon  
ourselves like children in  
the arms of our heavenly  
Mother."*

## A world in crisis

We are in a global situation that is becoming uncontrollable, as we will soon be plunged into a storm, a time of pain, a time worse than that of Noah's, where we can no longer avoid this international war. The United States must not enter into war and conflict, just like England; they will pay a heavy price through natural disasters. On June 7th, the Madonna said that two nations are watching the United States. Each seeks to protect its own interests. I recently spoke to you about this biological and genetic war; countries hostile to the West are preparing with chemical, biological, and nuclear warheads.

Offshore resources in the Asia-Pacific are subjects of disagreement. There will also be a scarcity of water, for which countries already in crisis will pay the heaviest price, and this disagreement will trigger immigration. Instability for Africa and the Middle East will only grow; the Middle East is in turmoil, and these events will sooner or later have an impact on our country. In the Middle East, especially, the black dragon wants an Islamized society. French and Italian society will become Islamized societies.

All this divine justice, the wrath of God, falls upon us because of our high level of sin, impiety, and immorality. We can no longer avoid this international war. We need a lot of strength and courage. We need people who are willing to kneel before the Madonna, to pray, to plead, to make reparation, and to offer her everything, in order to have her presence for Peace.

## The Triumph of the Immaculate Heart

The Virgin Mary said at Fatima that in the end Her Immaculate Heart will triumph; She did not say it conditionally, it is a certainty. The Mother of God was sent out of Love. Through the Triumph of Her Immaculate Heart, She will know how to take the heel that is in Thouars, the Roman Order, to crush the ancient adversary and cast him into eternal gehenna.

If we make Love reign in our hearts and Peace around us, following the example of Our Lady's virtues, the Triumph is already within us, and it is within us that the true triumph of the Immaculate Heart begins. In a form of submission to Heaven, we are asked to place our "yes" within Mary's "yes." By Her "yes," Mary allowed Her Body to become the dwelling place of God. When we say yes, Mary's Triumph begins anew within us.

During the first week of June, the Blessed Virgin appeared several times to catechize on the Triumph of Her Immaculate Heart, to speak of the sufferings of Her tears. Our unworthy generation and decade lack virtuous living and the spirit of prayer in their hearts. The chastisement will come, that is a certainty, but Mary will ensure that Her Heart softens the events.

The Triumph of the Immaculate Heart is an event of conversion. The Blessed Virgin said that England, Russia, China, and Turkey will convert. Mary needs us to help Her through our prayers, our sacrifices, our renunciations, our reparations, and all forms of penance. This triumph will make this earth a kingdom of Peace. Our sole duty: to hasten, through Reparation, the Triumph of the Immaculate Heart of Mary.

### PRAYER BY ABBÉ DUFRICHE-DESGENNETTES

"O MOST HOLY, AUGUST, AND DIVINE MARY, CAST FROM HEAVEN A GAZE OF PROTECTION AND LOVE UPON YOUR CHILDREN GATHERED AT THE FOOT OF YOUR ALTARS. OUR INTENTION, HOLY MOTHER OF MERCY, IS TO HONOR YOUR MOST HOLY AND IMMACULATE HEART WITH A WORSHIP OF VENERATION, LOVE, AND TRUST, TO ADORE WITH AND THROUGH IT THE MOST HOLY TRINITY AND THE DIVINE HEART OF JESUS, AND TO IMPOLE, IN THE NAME OF OUR ARCHCONFRATERNITY, THROUGH YOUR ALL-POWERFUL INTERCESSION WITH GOD, THE GRACE OF OUR CONVERSION AND THAT OF ALL SINNERS. MARY, CONCEIVED WITHOUT SIN, PRAY FOR US WHO HAVE RECORSE TO YOU. AMEN."

### EXCERPT FROM A HOMILY BY POPE BENEDICT XVI

"MARY INVITES US TO TO UTTER THAT 'YES' WHICH SOMETIMES SEEMS SO DIFFICULT. WE ARE TEMPTED TO PREFER OUR OWN WILL, BUT SHE TELLS US: 'BE COURAGEOUS, SAY 'YOUR WILL BE DONE' YOURSELVES, BECAUSE THIS WILL IS GOOD.'».
